Amendment of Schedule II of the Town Municipalities Act, 1933

Continuation Sheet ML File No / Current No 113 of 42 Page

Letter no AS-C 205/42 43 dated 16-1-42 from the Deputy Comr Kolar Dist, forwarding for orders a resolution of the Chikballapur Town Municipal Council requesting to amend the Schedule II of the Town Municipalities Act, 1933, so as to enhance the maximum rate of octroi duty on betel leaves and piece goods to 0-0-2 per bundle of 100 and 0-0-4 per ad valorem respectively instead of the present levy of 0-0-1 and 0 2 0-3 respectively

It will recently the Chikballapur Town Municipal Council was levying octroi duty on betel leaves and piece goods at 0-0-2 per hundred leaves and Rs 2/- on piece goods worth Rs 100/- respectively As these rates were higher than the maximum fixed in Schedule II of the Town Municipalities Act, 1933, the MI CI were instructed to bring down these rates in accordance with the maximum fixed in the Schedule referred to the reduction of octroi duty on betel leaves from 0-0-2 to 0-0-1 in the Chikballapur Town Municipality was sanctioned in G O dated 1-9-42

A collection containing this G O is readily available and extract from the File Register is put up

2) On the ground that this reduction of octroi duty has hit the municipal council to a considerable loss, they ~~have~~ have resolved that the maximum rates on betel leaves and piece goods may be enhanced from 0-0-1½ and Rs 1-9-0 per 100 leaves per Rs 100 advalorem to 0-0-2 and Rs 2-0-0 respectively

3) If the maximum rates in respect of these articles are enhanced as proposed by the C B Pvt Hl Ld, opportunity will be taken by other municipal councils to enhance the rate on these items, causing some hardship to the petty betel leaves dealers Enhancement of rates of duty in times as these will perhaps meet with some opposition

4) In these circumstances the resolution of the municipal may perhaps be vetoed and they may be requested to find other avenues of income to augment their revenues

reduced to one pie per bundle of 100 leaves as per Govt of India Notification No 2 dated 25-10-41/2nd 12-41-77 dated 9th Aug 42 by way of amending the case of betel leaves. The Chittoor Zamindar and others want that the Schedule II of the Act may be amended so as to levy the duty at two pies per rupee. Now we are to Zamindars in the State they have been levying at the rate of one pie per bundle of 100 leaves. Having regard to the above facts there is no necessity to enhance the rate which is uniform in all Zamindaris. We recommend that the Government may be moved to amend the Schedule II of the Zamindaris Act 1933 to three pies per rupee ad valorem. The levy should not be more than what is presented in the Statute. The Ryots have however proposed that the Schedule may be amended so as to help them by raising the rate from 2 pies to 4 pies per rupee. There does not appear to be any necessity to amend the Schedule. The proposal on their behalf

Subject - Amendment of schedule II of the Town Municipalities Act 1933

Sir,

I have the honour to state that the Town Municipal Council, Chickballapur have at their meeting held on 31-7-42 resolved that sanction of Government may be obtained to amend the Schedule II of the Town Municipalities Act of 1933 so far as it related to the levy of Octroi on Betal leaves and piece goods Their proposal is to levy octroi duty at 0-0-2 per bundle of 100 betel leaves and 0-0-4 on piece goods per rupee advalorem instead of the present levy of 0-0-1 and 0-0-3 respectively The President has in his letters dated 10-8-42 and 19-9-42 stated that unless the schedule is amended the Municipality will sustain a heavy loss of about 4000/ rupees a year and will find it impossible to balance the income and expenditure

Copies of letters received from the President of the Municipality and an extract of the proceedings of the Municipal Council are herewith enclosed for favour of information and orders of Government

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Kolar District

letter No H C 151/41-42 dated 19-9-42 from the Municipal Preside Chickballapur to the Deputy Commissioner, Kolar District

---

With reference to your letter No A5 C 508/42-43 dated 7-9-42 stating that it is impossible to recommend to the Government for the amendment of Schedule II of the town Municipalities Act, I write to resubmit it for kind/reconsideration for the following among other reasons -

I invite kind reference to my previous letter No H C 151/41-42 dated 10-8-42 and say that it is absolutely necessary that the said schedule of the Act should be got amended in the interest of the good Government of the Municipality

This is not the first time in the history of the unicipalitie that the amendment sought to made now is made by the Government The Mysore City Municipality got the said schedule amended once There after following the Mysore City Municipality, the Bangalore City Municipality also got some ammended provision in the City Municipal Act

As observed by you this amendment is not intended for the benefit of one Municipality This will be in the interest of all the Town Municipalities in the state, that may seek to take advantage of the amendment

In these days when the expenditure is increasing and the income decreasing if the amerdment is not allowed the Municipalities will find themselves helpless to balance their Budgets

This amendment is absolutely necessary in the interest of the Municipal Finances

I thefefore, request you to kindly forward my letter No M C 151/41-2 dated 10-8-42 to Government for sanction
